## FISHING REEL OIL

Lucas Oil Fishing Reel Oil is specially formulated to lubricate bearings and pivot points in all fishing reels and tackle. Suitable for either fresh or saltwater gear, Lucas Oil Fishing Reel Oil provides outstanding rust and corrosion protection even under the most adverse conditions. Our new one-drop precision needle applicator bottle allows you to put just the right amount of lubricant into hard-to-reach areas. This product is zinc, phosphorus, and heavy metal free, and contains no harmful solvents which could be hazardous to the environment.

**PART NUMBER AND SIZE:**

10690 - 1 Ounce (Case of 20)

**FEATURES AND BENEFITS:**

- Lubricates and penetrates with lasting protection.
- Designed to lubricate all moving parts in fresh water and saltwater fishing reels.
- Provides rust and corrosion protection even under the most adverse conditions.
- New one-drop application allows you to put just the right amount of lubricant into hard-to-reach areas.
- Convenient size for your tackle box.

**MAIN APPLICATIONS:**

Specifically designed to lubricate all moving parts in fresh water and saltwater fishing reels
